# CATERING

Concorde 2 is a live music venue at its core, and as such we unfortunately don't have kitchen facilities to provide in-house catering for your special day.

However, we can work with you to accommodate caterers of your choosing. They are welcome to bring pre-cooked food to site or provide a cold buffet. We can also accommodate local food trucks on our terrace area and provide them with power.

Brighton has no shortage of incredible culinary offers to cater your special day. Let us know if you need any recommendations!

If you would like Concorde 2 to host your special day please get in touch at [hello@concorde2.co.uk](mailto:hello@concorde2.co.uk)  
We would be more than happy to arrange a date for you to view the space.
